# Serial number location

Every unit has a SN number label, you could track back the unit's record based on the SN number. The SN number label is as below:

## 1. Split, Ceiling floor and Portable units

The SN number label is located on the right side on the unit, below the nameplate.

---

## 2. Air handler

The SN number label is normally located on the front panel, next or below the nameplate.

## 3. Cassette

The SN number label is normally located on the side panel, next or below the nameplate.

#### 4. Outdoor unit

The SN number label is located on the right side of side-discharge outdoor unit, below the name plate.

The SN number label is located on the front panel of top-discharge outdoor unit, below the nameplate.
