Durable and Beautiful

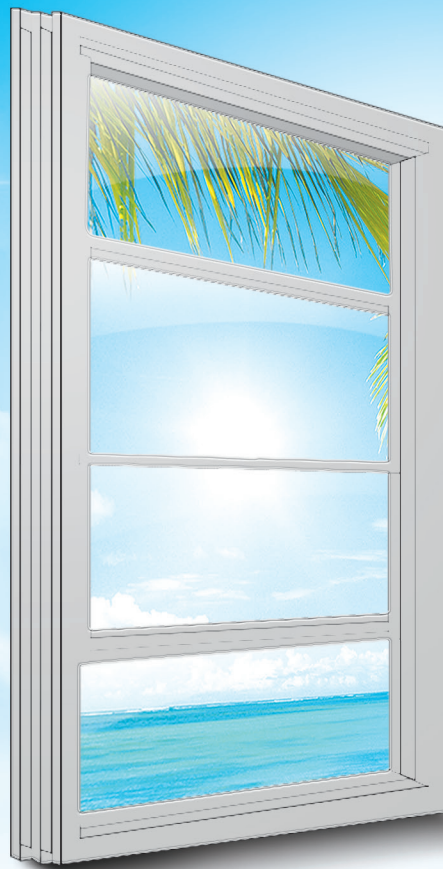

Designed to stand up to the harshest weather conditions, Metpro windows are made with high impact, rigid Aluminium which ensures beauty and performance for many years to come.

Beauty that won't Fade

A high gloss finish that never needs painting or retouching so the beauty of a Metpro Aluminium window lasts a lifetime.

Made to the Highest Standards

With a wide variety of sizes to choose from, every Metpro Aluminium product is manufactured locally to specific international standards creating windows and doors of unsurpassed quality, durability and strength.

Smart Design

Designed with a watertight locking system Metpro Aluminium windows also come completely glazed with tinted or clear glass for added protection against UV rays. This ensures that no matter the season, your most cherished possessions will remain protected from nature's harmful elements.
